

## Front-end Designer

### UI/UX, JavaScript, Data Visualisations

---

**Moixa is a high growth venture and energy industry innovator which has established itself as the UK's leading residential smart battery storage company.**

Moixa invents, manufactures and distributes smart energy technology including the Moixa Smart Battery range and Moixa GridShare - the battery asset management software platform that enables end customers to maximise the usage of renewable energy and unlock mass adoption of EV technology.

#### The role

We are looking for a Front-end Designer to join our small, focused and collaborative team of talented developers; to build the features, the company needs to succeed in its mission.

Your role will consist of utilising both your creative and technical skills to design and collaborate in the implementation of the mobile, web and spoken interfaces of Moixa. Due to the nature of the company, designs will often involve creating data visualisations, real-time applications and complex business requirements.

We believe in quick prototyping to validate our assumptions and an iterative, data-driven approach to improve our products, always with a user-centric mindset.

#### Required skills:

- UI/UX design
- HTML5, CSS3
- Git
- Flexbox, CSS Grids
- JavaScript
- Responsive design
- Strong analytical skills

#### Advantages:

- Experience working on data visualisations
- Experience manipulating and animating SVGs
- React/Typescript
- Figma/Sketch
- Component library design
- Interest in the energy sector or IoT
- Interest in functional programming

#### You should be:

- Happy working in a small, fast moving team, in which your individual initiative and contributions can have a big impact.
- Motivated and enthusiastic, open to learning new things.
- A self-starter, able to manage your own workload and deadlines.
- Able to work in our central London (Farringdon) office a minimum of 4 days a week.

**Duration:** Permanent      **Location:** Central London      **Salary:** £35k-£65k depending on experience

**Start date:** ASAP    **Other benefits:** Stock options, Pension, Flexible hours, Private health insurance
