

## In-house Lawyer

---

**Moixa is a high growth venture and energy industry innovator which has established itself as the UK's leading residential smart battery storage company.**

Moixa invents, manufactures and distributes smart energy technology including the Moixa Smart Battery range and Moixa GridShare - the battery asset management software platform that enables end customers to maximise the usage of renewable energy and unlock mass adoption of EV technology.

The Moixa team is growing fast and we are looking for an in-house lawyer to work alongside the Business Director (and current Legal Counsel) and the rest of our passionate team in London and Manchester to provide all round legal support. The Company also works with two law firms to advise it on complex transactions and specialist areas.

We are looking for a candidate that is highly motivated and works to a high standard. The successful candidate must be able to act with confidence and work under their own initiative. The role will involve working closely with a number of different teams, so strong communication skills and the ability to build good relationships are essential. The role may also include some non-legal work within the business team if desired.

The position is London based.

### **Responsibilities:**

- Support the business development team in forming new client relationships and partnerships
- Manage the Company's legal relationships with its employees, customers, clients and other stakeholders
- Support the business in developing innovative new business models and contractual arrangements
- Ensure compliance with relevant regulations and industry standards
- Support equity fundraising and other corporate finance transactions
- Assist in the management of the Company's Intellectual Property portfolio
- Support the company secretary and engage shareholders as required

### **Key skills:**

- Ability to draft, review and negotiate commercial contracts
- Understanding of consumer, data protection, IP and commercial law considerations
- A working knowledge of the UK renewable energy industry and flexibility markets
- Ability to work in a challenging and multi-skilled working environment

### **Relevant experience:**

- At least 2 years post qualification experience in a commercial legal role
- Experience in energy law (helpful but not essential)

**Duration:** Permanent, Full or Part Time

**Location:** Saffron Hill, London

**Salary:** Competitive, depending on experience and time commitment

**Benefits:** Share options, Flexible working hours, Private health insurance
